

## Minute Affirming Support of Recording Gifts

April 25, 2004:

### 04-11 Recording Gifts in the Ministry

Sarah Spencer of Salem Quarter Ministry and Counsel committee reported that M & C considered on 4/10/04 how the Quarter should handle requests to record gifts in the Ministry. The committee forwarded the following minute to the Quarter for approval.

"There has been some confusion about whether or not the Quarter has decided to not record gifts in the ministry. A search of our minutes can not find a minute to that effect. We reaffirmed that Salem Quarterly Meeting will follow the process (as far as practical) outlined in New England Yearly Meeting Faith and Practice for any requests for recording gifts in the ministry received from our member meetings.

The Quarter approved.
